

ROAD SAFETY

EASTER COMPETITION

KS1 - KS2

Over the Easter holidays, your Junior Road Safety Officers have a competition for you! Are you up for the challenge?

During the term, the JRSOs held an assembly about how to cross roads safely using different crossings. They spoke about Zebra Crossings, Pelican and Puffin Crossings, Toucan Crossings, Footbridges and Subways.

Your challenge is to create a poster that will regularly remind the children of Little Thurrock Primary School how to use these road crossings safely.

Winners will have their posters copied, laminated and placed around the school, as well as them be uploaded to the newsletter and school website. You will also receive a prize! So, make sure your name and class is somewhere on your entry!

Deadline for this event is
Friday 9th May 2025

Good Luck!
